Here's how to take the quiz

YOU SELECT 1 ANSWER. ONLY 1 ANSWER PER QUESTION.

Which device can measure your pulse?		
<p>QUESTION 1</p>	A watch (smartwatch).	
	A pillow.	

Which device can count steps?		
<p>QUESTION 2</p>	A mobile phone or a (smart)watch.	
	A toaster.	

What can you do with apps?

QUESTION 3

Count your steps and write down how much you drink.

Just make phone calls.

How do you download an app?

QUESTION 4

Open the App Store. Tap the name. Tap "Install".
Open the app.

Turn off your phone. The app will then be available automatically.
